This plat has been prepared at the request of the Colonial Development, Inc., by and through its officers, William A. Flagg and John S. Flagg, for submission to the Erie County Board of Commissioners for approval as a community development plat. The plat is based on a survey of the land, and is intended to show the various lots and sublots of land that are to be sold as a part of the development. The plat is dated February 15, 1935, and is signed by Richard E. Mutz, Consulting Engineer, Norwalk, Ohio.
